

Esso Car Polish

Ultra gloss formula.

Restores car bodywork to a showroom shine.

Provides long-lasting protection from the elements.

Safe to use on all paint finishes (metallic and non-metallic).

Directions:

Ensure vehicle is dry.

Shake well.

Pour onto a clean damp cloth. Apply evenly to one section at a time using circular motions.

Allow to dry to a haze.

Buff off with a lint free dry cloth. Do not use in direct sunlight or if bodywork is hot to touch.

Pack size: 400ml
