

Esso Car Shampoo

High gloss formula.

Cleans dirt and grime from car bodywork.

Contains water repellent to help drain water away from the vehicle.

Safe for use on all paint finishes – metallic and non-metallic.

Do not use in direct sunlight, or if bodywork is hot to touch.

Directions:

Shake well.

Add approximately 20ml of shampoo to a bucket then fill with warm water.

Wash the vehicle and rinse thoroughly with clean water.

Dry any remaining water with a chamois leather.

Pack size: 400ml
