

## Esso Car Shampoo

## High gloss formula.

Cleans dirt and grime from car bodywork.

Contains water repellent to help drain water away from the vehicle.

Safe for use on all paint finishes – metallic and non-metallic.

Do not use in direct sunlight, or if bodywork is hot to touch.

## Directions:

Shake well.

Add approximately 20ml of shampoo to a bucket then fill with warm water.

Wash the vehicle and rinse thoroughly with clean water.

Dry any remaining water with a chamois leather.

Pack size: 400ml
